WHO IS THIS COURSE FOR?

Our Students Work At

Hear It From Our Students

"North Storm Academy's Digital marketing course has turned out to be a great decision for my career, the learning very practical and it helped once I started working after the course. The professors go out of their way to help us out"

- Yesha Dattanii

"Learning digital marketing has helped me with my sales profile, understanding various types of marketing campaigns that you can run to get leads is commendable. Doing this course was a definite career boost."

- Savin Chauhan

Hear It From Our Students

My experience with North Storm Academy was brilliant. I had been consulting brands for their social media marketing for almost a year before joining North Storm Academy. But after the course, the brands could see an instant evolvement in my work. The faculty is hands-on and extremely welcoming. They have been kind enough to provide with multiple work opportunities and have helped me everytime I got stuck with something even after the course got over.

– Ruchika Dhawan

My experience with North Storm Academy has been excellent the course content is great, the trainers are extremely passionate about the teachings. They are well versed with the course and are able to handle queries really well. Plus, they make sure that you have fun while learning.

– Yugmala Singh
